## Emergency Relief Information

The Department of Social Services (DSS) funds several organisations in WA to support eligible individuals and families to navigate financial crises. Emergency Relief (ER) services are delivered by community organisations and help people to address immediate basic needs in times of crisis. There may be support available either directly or remotely to eligible people in our area. To locate a provider please visit <http://wacconnect.org.au> or the Department of Social Services Grants Service Directory <https://serviceproviders.dss.gov.au/>

## Pet Registration

The Shire has sent out registration renewals this month for cats and dogs whose registration expires in 2020. It is important your contact details are kept current with the Shire and microchip database. The Shire requests that pet owners inform them immediately of any change of ownership, death, or change of address. Current registrations can be transferred between most local councils in Western Australia. The registration period runs from 1 November through to 31 October each year (regardless of the date when the pet is actually registered).
